Below: Antique carved panels originating from a hutch from Pakistan accent this one-of-a-kind piece by La Puerta Originals.

La Puerta Originals

Opposite: A La Puerta Originals cabinet adds functional beauty in the kitchen. Constructed of reclaimed Douglas fir, the piece is topped with a salvaged carving from China. The bench also was made from reclaimed Douglas fir. This page: In another home, an intricately carved console table and mirror were crafted of antique fragments from the Swat valley in Pakistan.
